

CTAT COVID-19 Safety Protocol Policy

In response to the ongoing COVID-19 pandemic, the Career and Technical Association of Texas (CTAT) requires the following as it pertains to participation at CTAT events:

- CTAT staff, volunteers, contractors and attendees will be expected to adhere to any mask requirements set forth from the CDC, City of Fort Worth, the Fort Worth Convention Center, and/or the local health authority at the time of the conference.
- CTAT will work with event venues to provide for social distance seating and standing requirements based on CDC guidelines in place at the time of the event.
- CTAT will ensure that all event venues have appropriate sanitizing and disinfecting programs.
- CTAT will work with event venues to ensure hand sanitizer dispensers are available at key contact areas.
- CTAT will work with event venues to ensure health and hygiene signage throughout event venues asking everyone to take personal responsibility for preventing disease spread.
- CTAT staff, volunteers and contractors will be temperature screened daily upon arrival.
- CTAT requests that individuals who fall within any of the categories below not attend CTAT events:
 - Individuals who currently or within the past fourteen (14) days have experienced any symptoms associated with COVID-19;
 - Individuals who have traveled at any point in the past fourteen (14) days either internationally or to a community in the U.S. that is experiencing sustained community spread of COVID-19; or
 - Individuals who believe that they may have been exposed to a confirmed or suspected case of COVID-19 or have been diagnosed with COVID-19 and are not yet cleared as non-contagious by state or local public health authorities or the health care team responsible for their treatment.
- CTAT requests that participants and volunteers self-monitor for signs and symptoms of COVID-19. If he/she experiences symptoms of COVID-19 within 14 days after participating or volunteering with CTAT contact CTAT at jami@ctat.org.
- CTAT requires participants and volunteers to sign a Liability Waiver and Release of Claims that requires participants to assume the risk and provide for a medical acknowledgment release.
